

OPTION 2 - Secondary Color Palette Rationale

This secondary color palette reinforces Aureum Dubai's premium and contemporary brand identity through a harmonious blend of depth, elegance, and sophistication. The rich Midnight Blue and Deep Navy tones communicate confidence, reliability, and executive excellence, while Dusty Blue introduces a sense of innovation, calmness, and professionalism. The soft Ivory and Buttercream shades provide warmth, balance, and refinement, creating a clean and luxurious visual contrast. Together, these colors complement Aureum Dubai's primary identity by enhancing readability, versatility, and brand consistency across both digital and print applications while maintaining a timeless and upscale aesthetic.
